Club Name: The Port Alberni Tsunami Swim Club

Swimmer's Name:	

Note: Maximum total pledges allowed per swimmer is \$80.

Pledge Sponsor Name	Pledge Amount (flat rate)	Date Collected
	Grand Total = \$	

Q&A

How it works?

Each swimmer will swim non-stop for a predetermined time based on their Level. Volunteers will carefully count total lengths for each swimmer.

Developmentals = 30 minutes Intermediates = 60 minutes

Advance/Masters = 90 minutes

Pledges?

The Swim-A-Thon is a fundraising event for the Port Alberni Tsunami Swim Club (a non-profit volunteer run youth sport organization). Each swimmer collects \$80 in flat rate pledges as they attempt to swim as many lengths of the pool in the time allotted. Pledges go towards covering such expenses as pool rental, lifeguard costs, coaches and keeping our fees as low as possible.

How many length will the swimmers swim?

Based on previous Swim-A-Thons, we can expect the Developmental to swim around the 1km mark, Intermediates 2 kms and the Advance swimmers to swim 3 to 4 kms or more.
